

Endless Midnight

Lethal 2D Action Platformer

by Lost Ace

A lethal one screen 2D action game where the apocalyptic horsemen unleashing chaos to progress time and trying to survive to midnight.

Description

You are one of the four horsemen waiting for the apocalypse. On new years eve five minutes to time stands still. You have to unleash chaos to get time space to move on, and survive 12 hours of the process. Your weapons are only a temporarily defense, when malice is out nothing will make it disappear only change its current shape.
